## LEAD & SILVER BOTH CLIMB

The first hopeful reaction  
west, to reported improved  
conditions east, is noted

today. Lead, which has been  
at a melancholy standpoint  
for several weeks went up  
10 cents. Silver went up  
five-eighths of a cent mak-  
ing the quotation 27 cents.

## CLARK DISCUSSES UNEMPLOYMENT

Walter Clark, speaking  
today at the Chamber of  
Commerce luncheon, said  
that the distress of the  
unemployed in the district  
was now at its peak as re-  
serves among those out of  
work were exhausted. He  
urged everyone to do every-  
thing possible during the  
next six weeks to furnish  
work for these jobless  
folks.

In six weeks, Mr. Clark  
believes the critical per-  
iod will have passed but  
unless something can be  
done to tide many over this  
period there will be much  
suffering.

F.F.Moe, chairman of  
the community chest asked  
for another week to more  
thoroughly consider the  
matter.

Short addresses were  
made by W.G.Woolf, Mr.  
Williams of the Murphy  
Favre Company, the Rev.  
Victor Newman, J.B.Cox,  
A.P.Hutton and Dr.M.M.  
Eaton.
